GUARDIANS
MAKE HISTORY HAPPEN

MAKE HISTORY HAPPEN

Celebrate England's history and get closer to the past by becoming an English Heritage Guardian.

From castles to country houses, Rembrandts to Roman forts and stone circles to Second World War defences, the sites and artefacts in our care tell England's story in the places where it really happened. There's nowhere better to engage with our nation's incredible history.

As a Guardian, you'll benefit from exclusive experiences and bespoke events that take you to the heart of England's heritage. At the same time, you'll be playing a central role in the work of the charity. With your support, we can carry out crucial repairs, deploy cutting-edge conservation science, facilitate hundreds of thousands of free school visits every year and inspire millions more people to cherish our precious heritage. Become a Guardian and start making history happen.

“Our vision is to bring to life the stories of the places and artefacts in our care through imaginative and inspiring experiences – encouraging the next generation to care for our nation’s incredible history. English Heritage is taking the lead in the sustainable conservation of our heritage as we deploy cutting-edge science to protect our extraordinary collection. To achieve its vision English Heritage needs your help. Joining as a Guardian gives us the support we need and makes you part of our story.”
