# Admission prices 2012/2013

Valid 01 April 2012 to 28 March 2013

# Planning your visit

You will find our properties grouped by English Heritage region in alphabetical order.

For **opening times** of sites please call the attraction in question when planning your visit. As a general rule, most properties are open daily from 10am and many are open throughout the winter. Nearly all are closed 24-26 December and 1 January.

**Admission prices** are valid from 1 April 2012 until 28 March 2013. Standard prices for adults, concessions and children (under 16 years of age) are shown for each property.

Concession prices apply to senior citizens, unemployed people and students on presentation of appropriate proof. Children under five and English Heritage members presenting a valid membership card are admitted free. Special prices may apply on events days.

**Catering** facilities are available at many English Heritage sites and range from tea-rooms to restaurants. If you have any catering requirements please contact the property in question.

**Shops** are situated at many of our properties, offering an attractive range of souvenirs, gifts and books carefully selected to suit each type of site from abbey to castle, and from country house to prehistoric monument.

**The Group Discount** at all our properties is 15% off the total admission price for groups of 11 or more people (10% at Stonehenge). You will also receive:

- Free entry for the tour leader
- Free entry for the coach driver

**The Priority Access Scheme** simplifies and speeds up access to English Heritage sites. Open an account with us, and all your tour leaders will have to do is present a company voucher detailing party number and their group will be waved through with no cash transaction and no fuss.

## Big savings for overseas visitors

English Heritage gives commission to agents and tour operators selling one and two week **Overseas Visitor Passes**. Perfect for touring holidays in England, the Overseas Visitor Pass provides free admission to all our properties and comes with a 290-page colour guidebook.
