

# Chiswick Gardens audio tour map

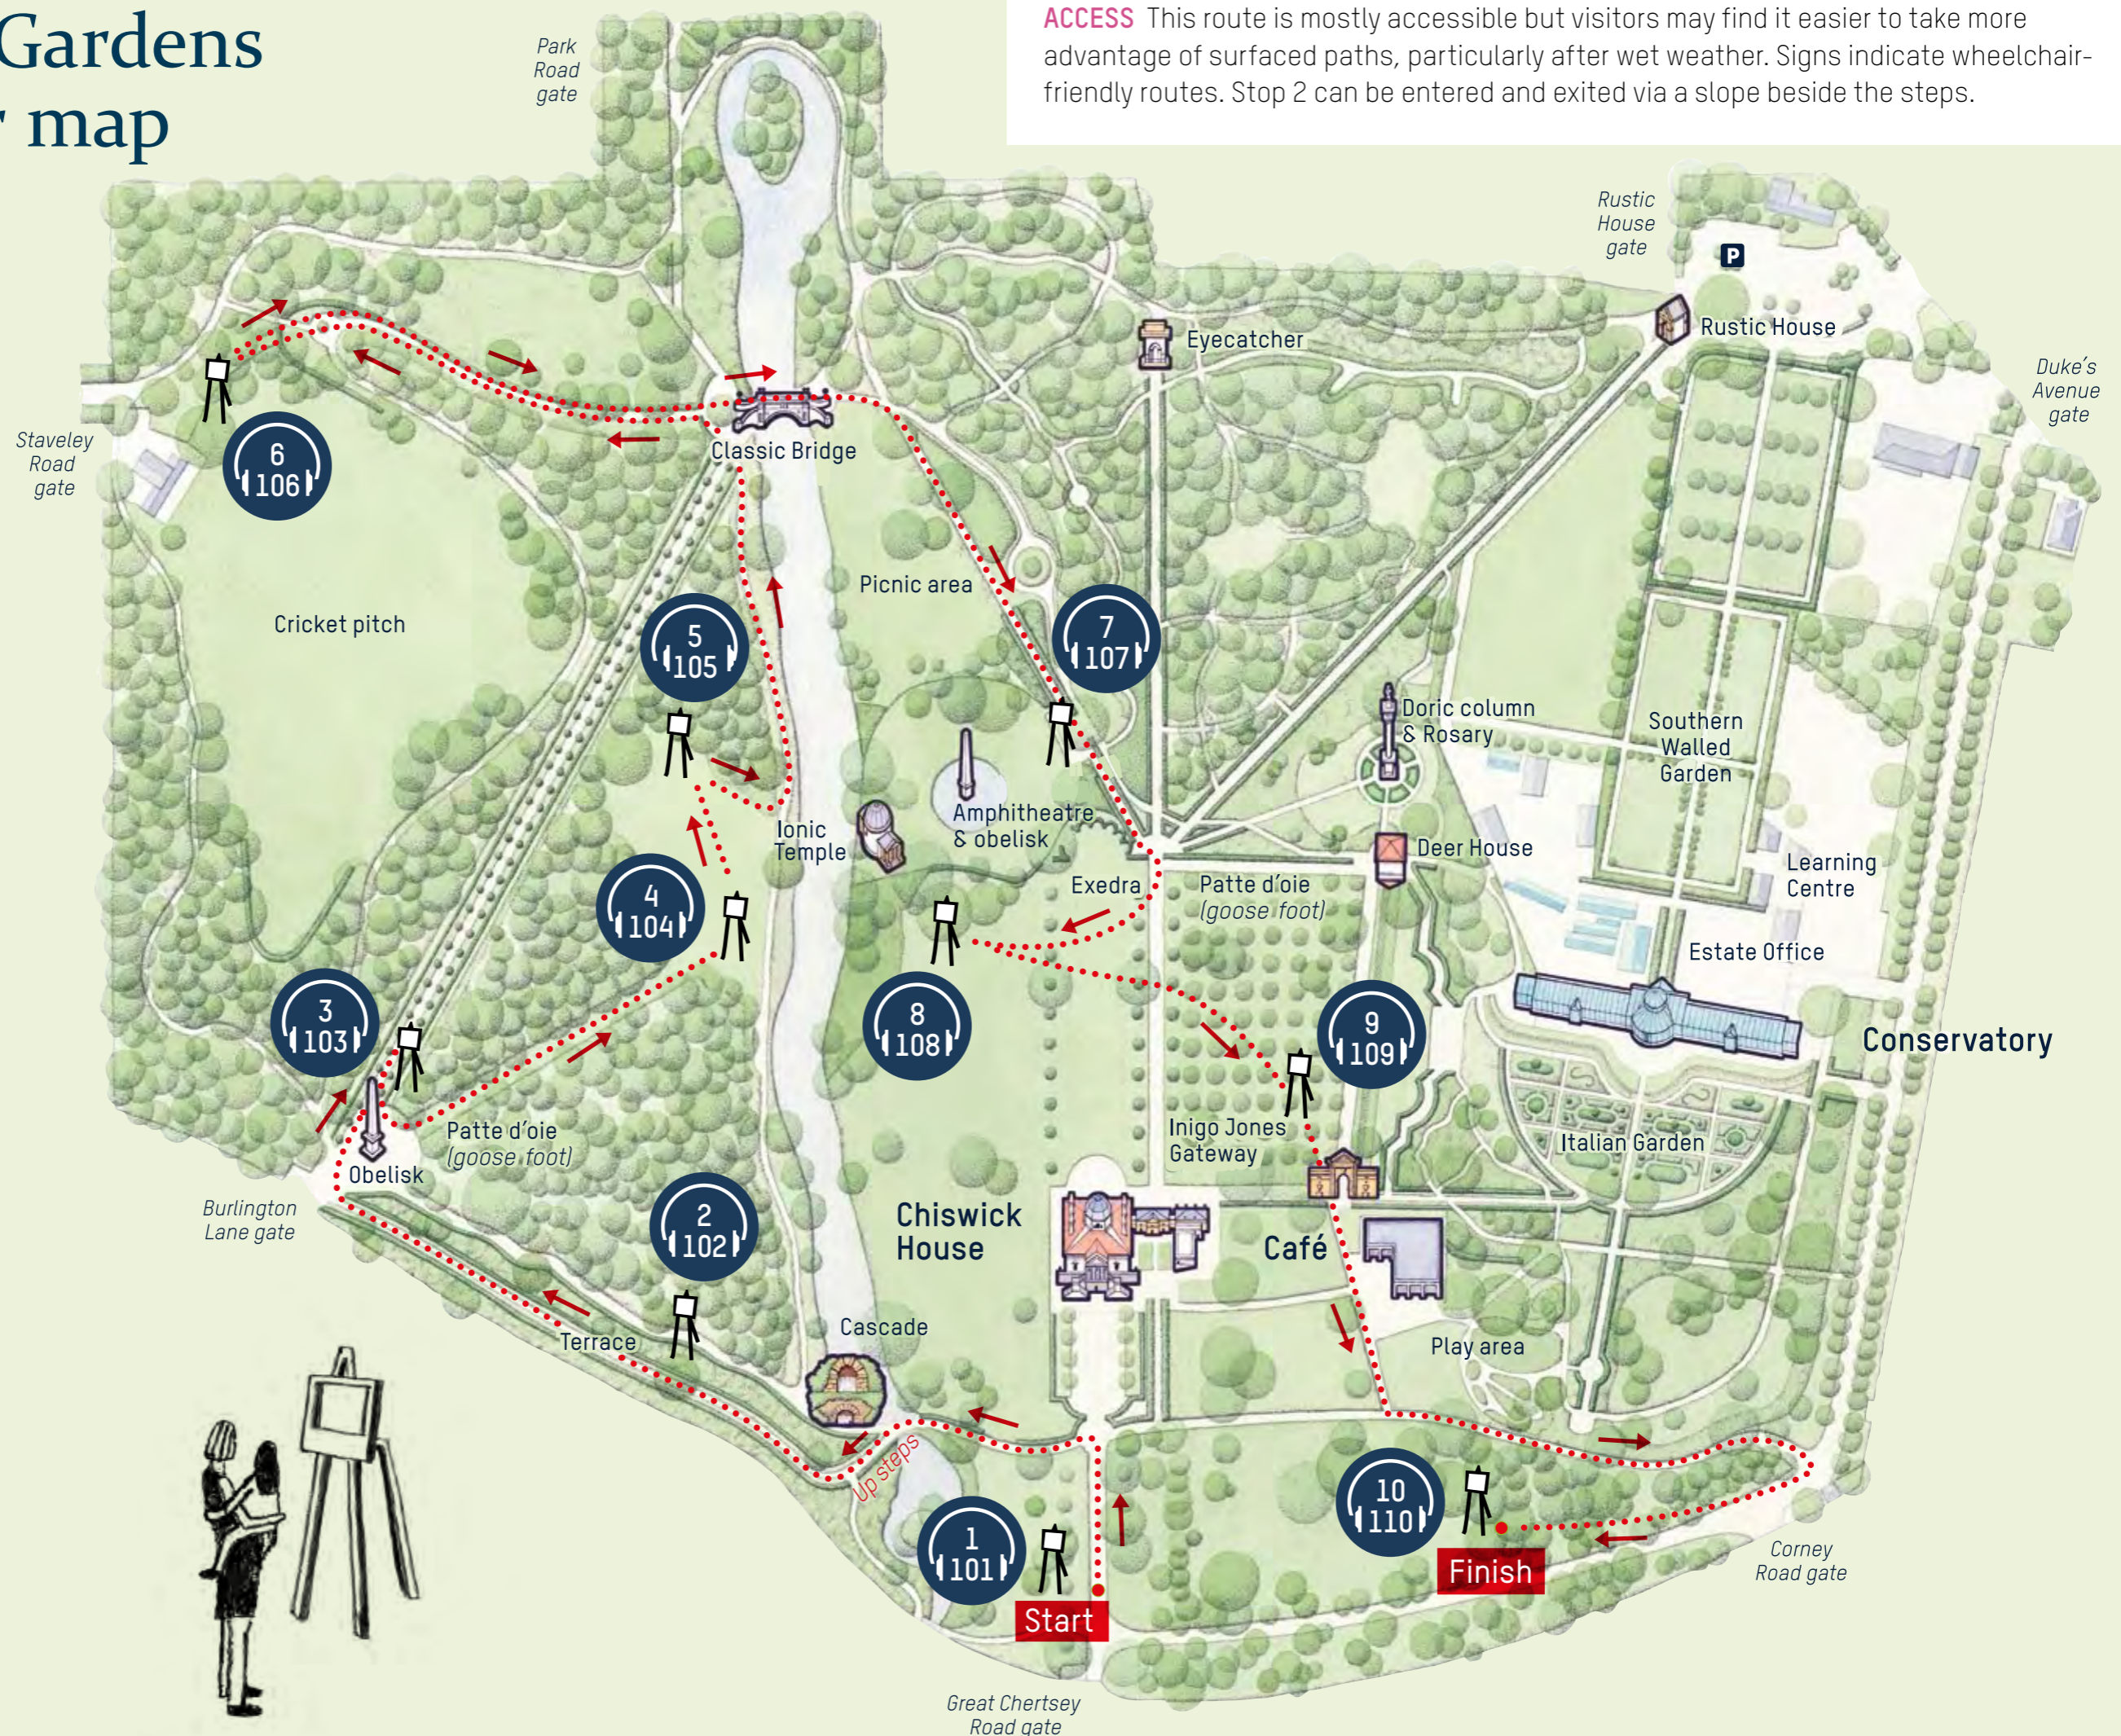

## How it works

This audio tour follows the 10 Picture in the Landscape easels dotted around the gardens. Each one has an audio symbol like this:

The top number is a fictional story inspired by the historic image displayed in the easel.

The bottom number tells you about the history of the gardens, which you can listen to on your way to the next easel.

**ACCESS** This route is mostly accessible but visitors may find it easier to take more advantage of surfaced paths, particularly after wet weather. Signs indicate wheelchair-friendly routes. Stop 2 can be entered and exited via a slope beside the steps.
