

AUDLEY END

Winter/Spring planting

Erysimum 'Sugar Rush Purple'

Flowering throughout winter and into spring this cultivar has larger flowers than standard wallflowers in lavender purple and a sweet scent.

Tulipa 'Recreado'

A late spring dark purple flowering tulip, it is one of the tallest cup- or goblet-shaped tulips.

Myosotis sylvatica 'Dwarf Indigo'

A small and compact forget-me-not with deep rich blue flowers from early spring and forming a carpet under taller flowering bulbs.

Tulipa 'Don Quichotte'

A stately triumph tulip with vibrant, cherry pink flowers that appear in mid-spring.

Primula 'Showstopper Cream'

A polyanthus type primulas with lime cream flowers with a yellow centre that first appear in late winter atop bright green foliage.

Tulipa 'Angelique'

A soft pink, double, bowl-shaped tulip, reminiscent of peony flowers, flowering in late spring and is often one of the last tulips to flower.

Narcissus 'Avalanche'

A strongly scented daffodil with showy clusters of around 15 small flowers with white petals and bowl-shaped yellow trumpets in mid spring.

Primula 'Crescendo Pink and Rose Shades'

A polyanthus with large flowers in shades of rose-pink, with a conspicuous yellow eye flowering from winter into spring.

Tulipa 'Merlot'

A deep crimson-carmine coloured cup-shaped tulip with pointed petals which flowers from mid to late spring.

Tulipa 'White Triumphator'

A pure white tulip with petals that arch upwards giving the flower a fluted shape, flowering from mid to late spring.

Erysimum 'Sugar Rush Orange'

Flowering throughout winter and into spring this cultivar has yellow to burnt orange flowers with a rich spicy scent.

Myosotis sylvatica 'Dwarf Indigo'

A small and compact forget-me-not with deep rich blue flowers from early spring and forming a carpet under taller flowering bulbs.

Tulipa 'Blue Parrot'

A scented and showy violet-purple tulip with intricate feather-edged flowers, that open out as the flower matures, in late spring.

Tulipa 'Queen of the Night'

A tulip with deep purple maroon to almost black flowers in late spring with goblet-shaped flowers.

Tulipa 'Blue Aimable'

An heirloom tulip dating back to 1910. Flowering in late spring with fine shades of lavender mauve and blue hues which becomes richer in colour as the flower matures.

Erysimum 'Sugar Rush Purple'

Flowering throughout winter and into spring this cultivar has larger flowers than standard wallflowers in lavender purple and a sweet scent.

Tulipa 'Curly Sue'

Flowering in late spring, this deeply coloured purple-maroon tulip has distinctive fringed edges on each petal.

Tulipa 'Recreado'

A late spring dark purple flowering tulip, it is one of the tallest cup- or goblet-shaped tulips.

Primula 'Showstopper Cream'

A polyanthus type primula with lime cream flowers with a yellow centre that first appear in late winter atop bright green foliage.

Tulipa 'Angelique'

A soft pink, double, bowl-shaped tulip, reminiscent of peony flowers, flowering in late spring and is often one of the last tulips to flower.

Tulipa 'Don Quichotte'

A stately triumph tulip with vibrant, cherry pink flowers that appear in mid-spring.

Hyacinthus orientalis 'Blue Jacket'

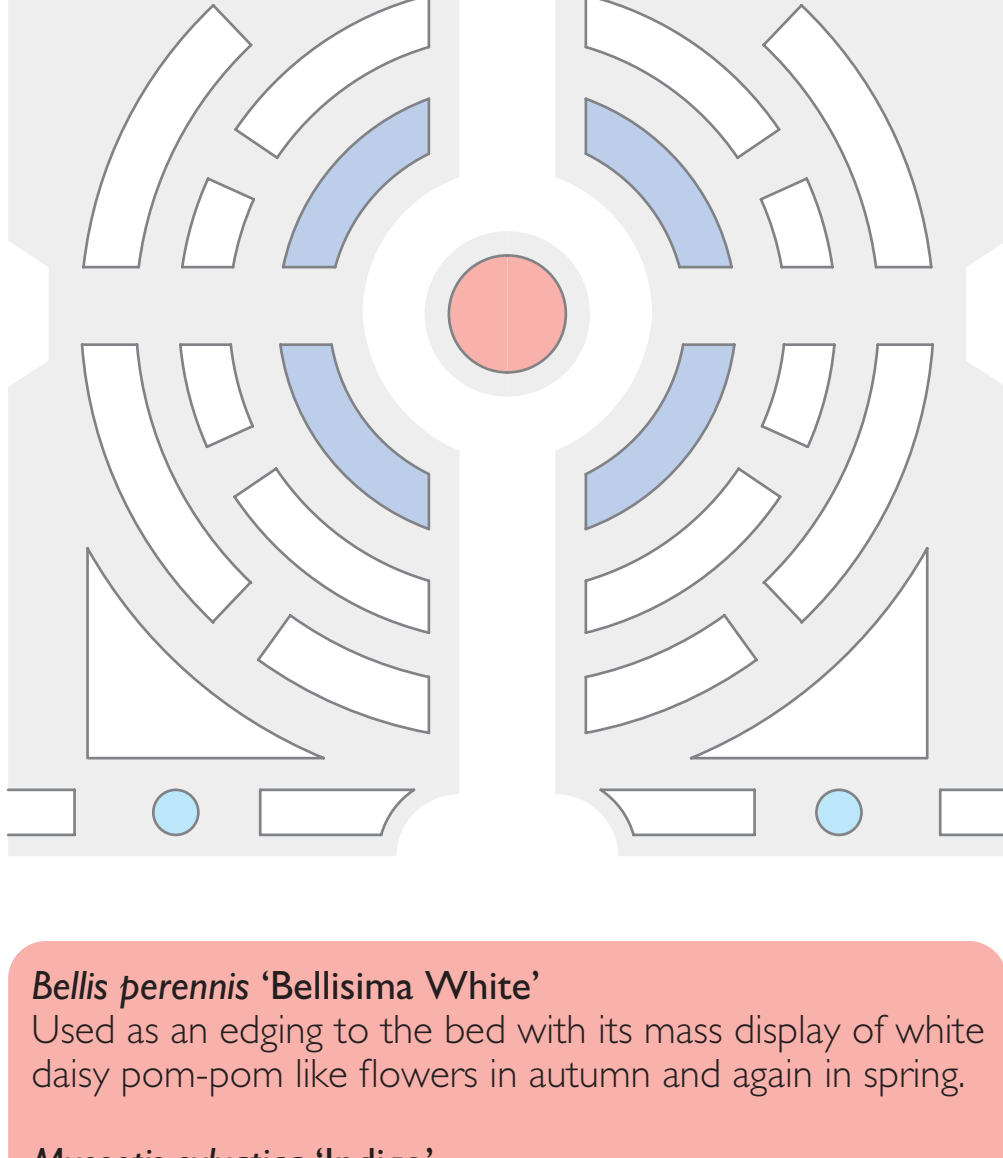

A highly fragrant hyacinth with dense spikes or deep blue flowers in mid spring.

Hyacinthus orientalis 'Woodstock'

Flowering from early spring this hyacinth has dark, maroon-purple, flowers that produce a rich scent.

Narcissus 'Geranium'

A fragrant daffodil producing clusters of 3-6 flowers per stem with white petals and deep orange-red cupped trumpets in mid to late spring.

Bellis perennis 'Bellissima White'

Used as an edging to the bed with its mass display of white daisy pom-pom like flowers in autumn and again in spring.

Myosotis sylvatica 'Indigo'

A traditional forget-me-not that produces masses of indigo-blue flowers from early spring.

Tulipa 'Angel's Wish'

A scented white tulip with a strip of greenish-yellow running down the centre of each petal, flowering in late spring.

Tulipa 'Request'

A bronze-orange lily-flowered tulip which has a salmon-pink to violet-pink flame to the pointed petals, flowering in late spring.

Tulipa 'Ballerina'

A lily-flowering fluted tulip with orange flowers flushed with subtle shades of red in late spring.

Myosotis sylvatica 'Indigo'

A traditional forget-me-not that produces masses of indigo-blue flowers from early spring and used as an edging plant around the beds.

Narcissus 'Geranium'

A fragrant daffodil producing clusters of 3-6 flowers per stem with white petals and deep orange-red cupped trumpets in mid to late spring.

Primula 'Crescendo Blue Shades'

A polyanthus type primrose with cobalt-blue flowers with a bright yellow eye that flowers from late winter to early spring.

Tulipa 'City of Vancouver'

A creamy, lemon yellow tulip flowering from mid spring.

Tulipa 'Sweetheart'

A soft ivory-white coloured tulip with a pale yellow flame running down the outside of each petal, flowering in late spring.

Tulipa 'Request'

A bronze-orange lily-flowered tulip which has a salmon-pink to violet-pink flame to the pointed petals, flowering in late spring.
