

WREST PARK

Winter/Spring planting

FRENCH PARTERRE

Erysimum 'Sugar Rush Purple bicolour'

Flowering throughout winter and into spring the scented wallflowers emerge with a apricot/burgundy flush and turn lilac/purple as they mature.

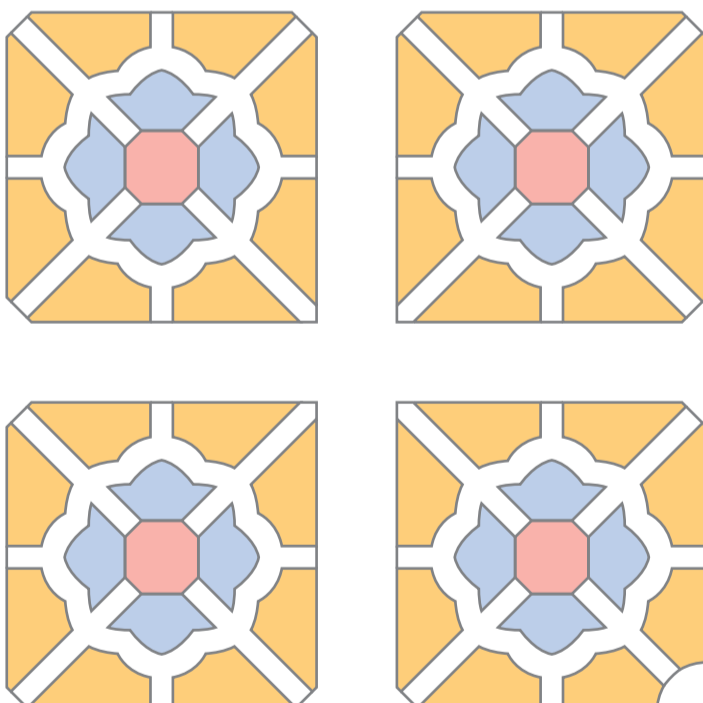

Primula 'Blue Gem (Alaska Series)'

Purple-blue flowered primrose with white petal streaks and yellow centres flowering from late autumn throughout spring.

Bellis Perennis 'Tasso Pink'

Large flowered pomponette type daisy with fully double blooms in pink flowering from early spring.

ITALIAN PARTERRE

Erysimum 'Sugar Rush Red'

A sweetly scented wallflower with upright warm red flowers in early spring.

Fritillaria imperialis 'Lutea'

Clusters of bright yellow bell-like flowers are held high on sturdy stems topped with a ruff of leaf-like bracts in May and June befitting the common name crown imperial.

Erysimum 'Sugar Rush Purple Bicolor'

Flowering throughout winter and into spring the scented wallflowers emerge with a apricot/burgundy flush and turn lilac/purple as they mature.

Tulipa 'West point'

Dating back to 1915 this large lily-flowered tulip bears elegant yellow flowers with long, pointed, twisted petals in mid-late spring.

Tulipa 'Yokohama'

A mid-sized tulip with vibrant yellow pointy petals in flower early-mid spring.

Viola x wittrockiana 'Matrix orange'

A large orange flowered pansy flowering throughout winter and spring.
