## OBJECT DONATION ENQUIRY FORM

Thank you for considering donating an object to English Heritage. Gifts of objects play a vital part in helping us to tell the story of England and in connecting our visitors with generations gone by.

While we welcome gifts of objects that enhance our existing collection, or have a special connection to an English Heritage site, we must be sure that we have the resources available to display and care for the gift. As a result we consider each offer in line with our collections policy. Unfortunately it is not possible for us to accept every donation.

If you would like to donate an object to English Heritage, please complete the form below, attaching images of the object where possible, and return to our Legacy Officer. Our curatorial team will review the object and we will get back to you within 28 days to let you know if we are able to accept the gift. Thank you for getting in touch.
